Sonim XP2.10 Spirit

Rugged is just the beginning.

If you work and play in extreme environments don't compromise functionality for toughness. The XP2 Spirit is more than just the next-generation robust 3G phone - it's a rugged work of art. This tough phone empowers you to take it wherever you want and NOT handle it with care.

Seamlessly blending form and function, the XP2 Spirit is loaded with features:

- 3-megapixel camera for images and video
- A suite of JAVA applications and a multimedia player
- 2" hi-res display, protected by 1.5mm of Gorilla glass
- A dense magnesium core
- Waterproof shell made from hardened rubber, fiberglass and nylon
- A Gore-Tex-covered speaker

The XP2 Spirit was created to survive extreme environmental conditions. It follows in a long tradition of Sonim phones: Built For Life, and as always backed by Sonim's industry-leading 3-Year Unconditional Guarantee.

Spécification
